Step 2. Enter the **Ooyala** account's login credentials and click on 'Submit'.

Cheers. You are done with the Integration process!

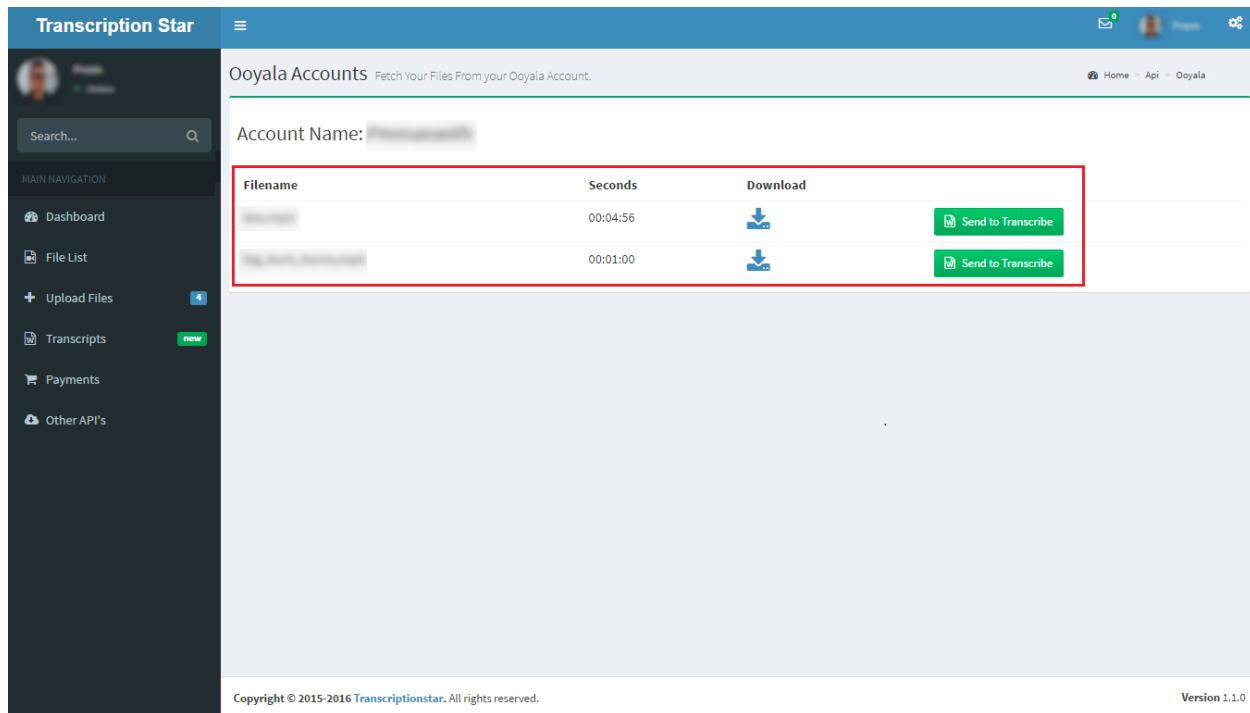

Your account has been added Successfully!

Now, files uploaded to your Ooyalaprofile can be accessed and directed for transcription from within your iTranscript platform in just a few clicks.

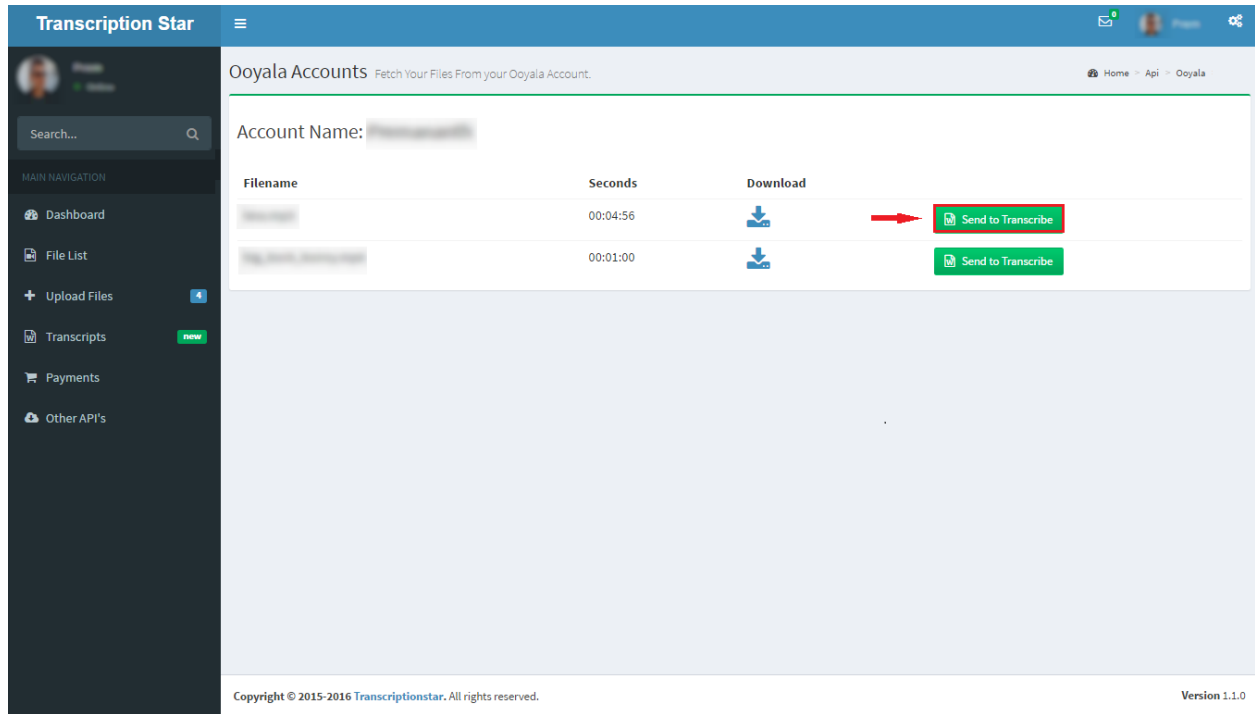

Step 3. Click on 'View Account Files'.

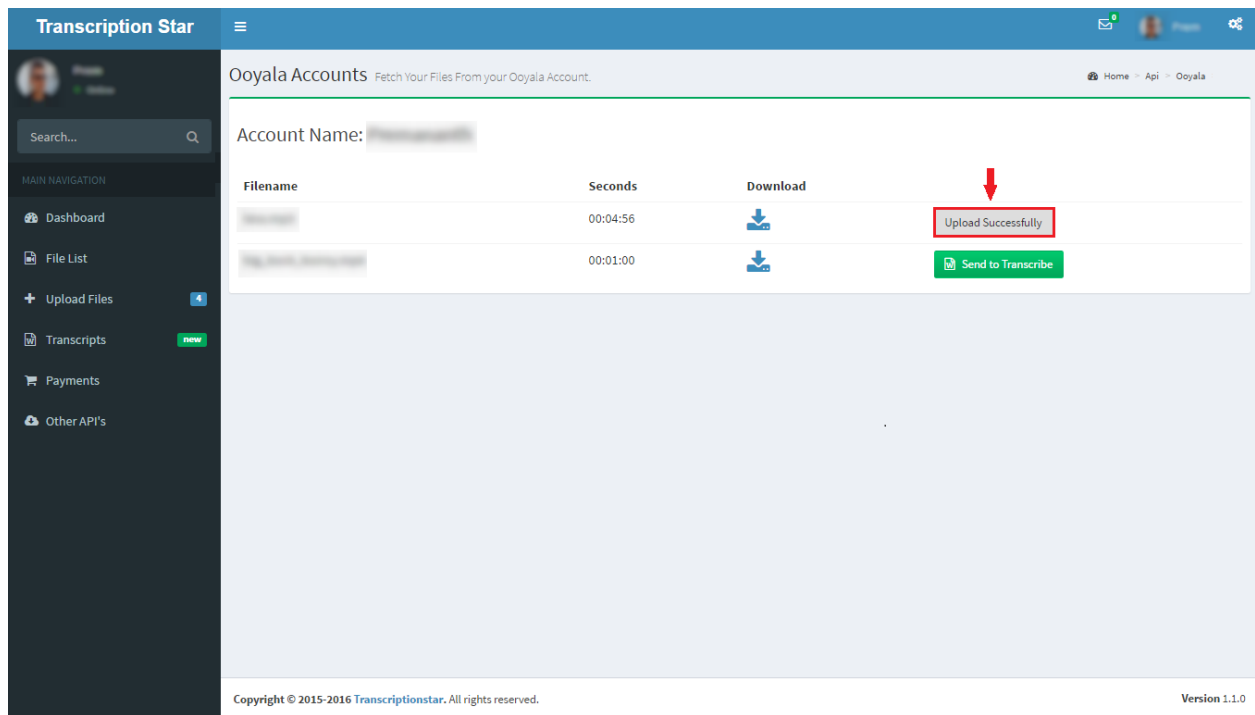

[You will be directed to the page displaying the list of files available in your Ooyala profile.]

Step 4. Now, scroll through your list until you find the file that needs to be transcribed. And click on 'Send to Transcribe'.

(Once your files are uploaded successfully to iTranscript, they are ready for our transcription services)
