

Vimeo Integration:

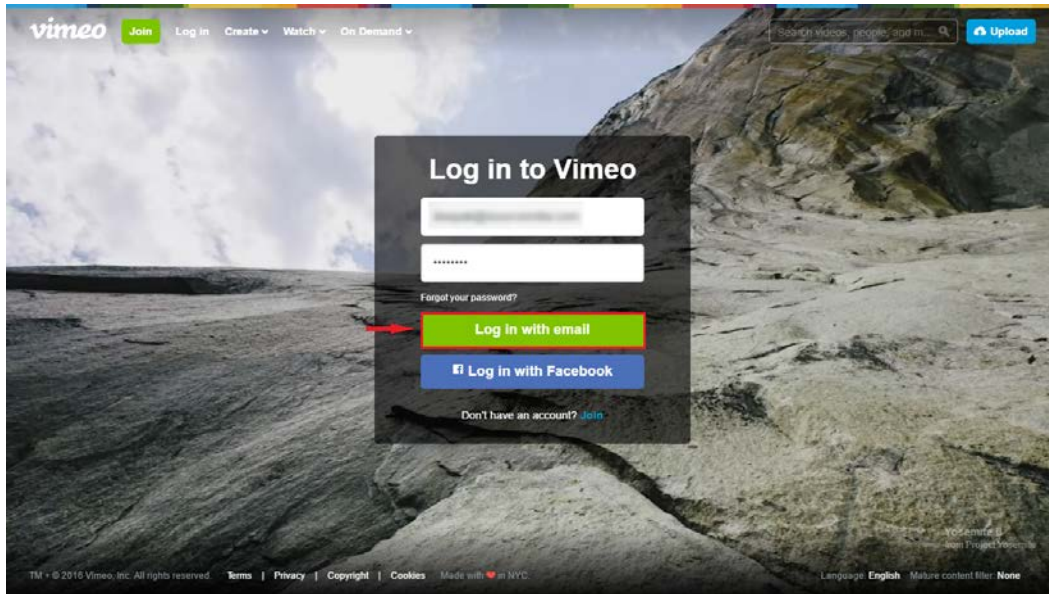

Vimeo, a popular high quality video sharing website is now integrated into iTranscript for your convenience. You can get your videos transcribed in just a few clicks.

Sync your vimeo account by following these quick & simple steps.

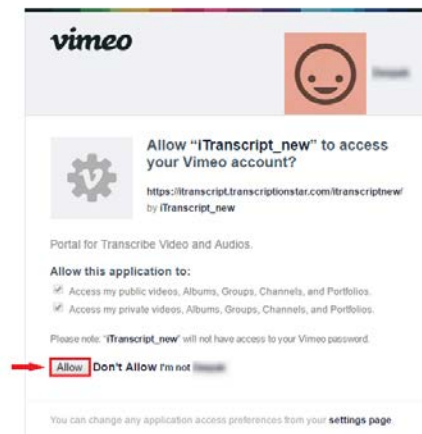

Step 1. Click on *'I would like to integrate'*, under the vimeo logo.

(You will be directed to the *'Login'* page.)

Step 2. Enter your *vimeo* account 'login' credentials and click on *'Log in with email'*, or you could use your Facebook credentials to log in.

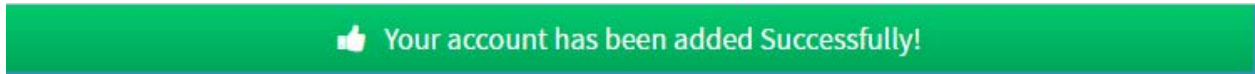

[Once done you'll receive the following notification.]

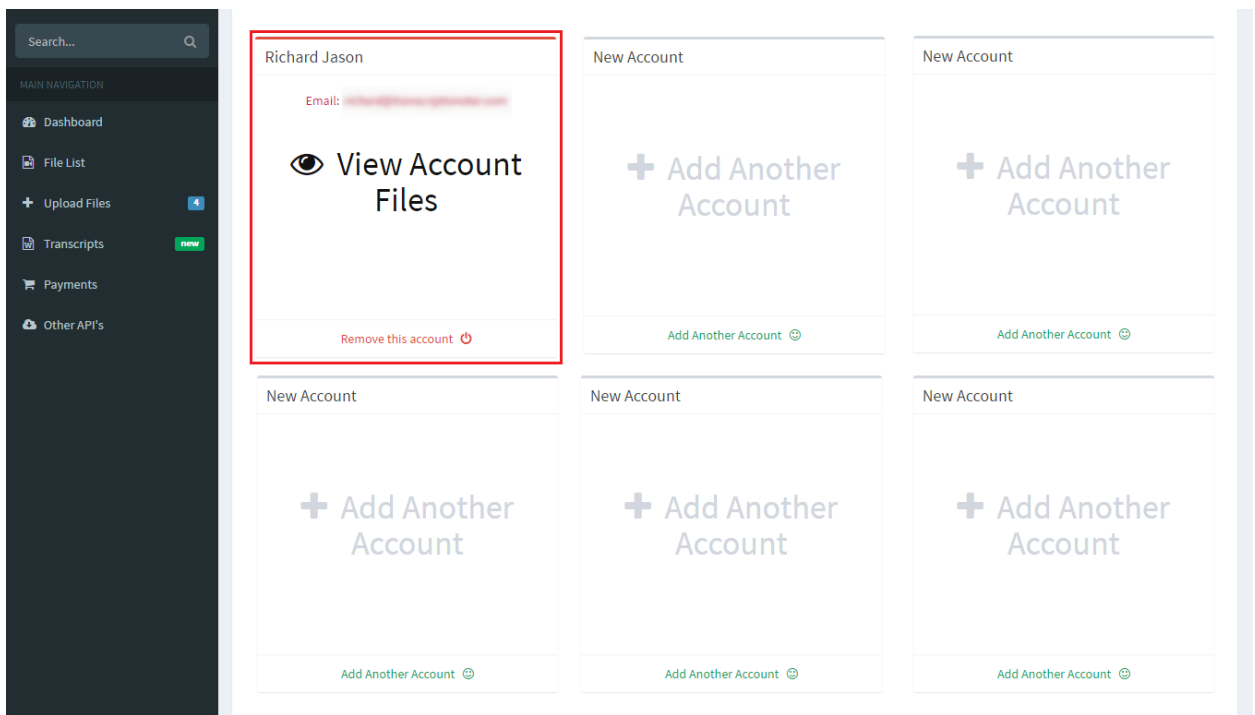

(This list highlights the functions that iTranscript would like to have access to.)

Step 3. Click on 'Allow' to confirm.

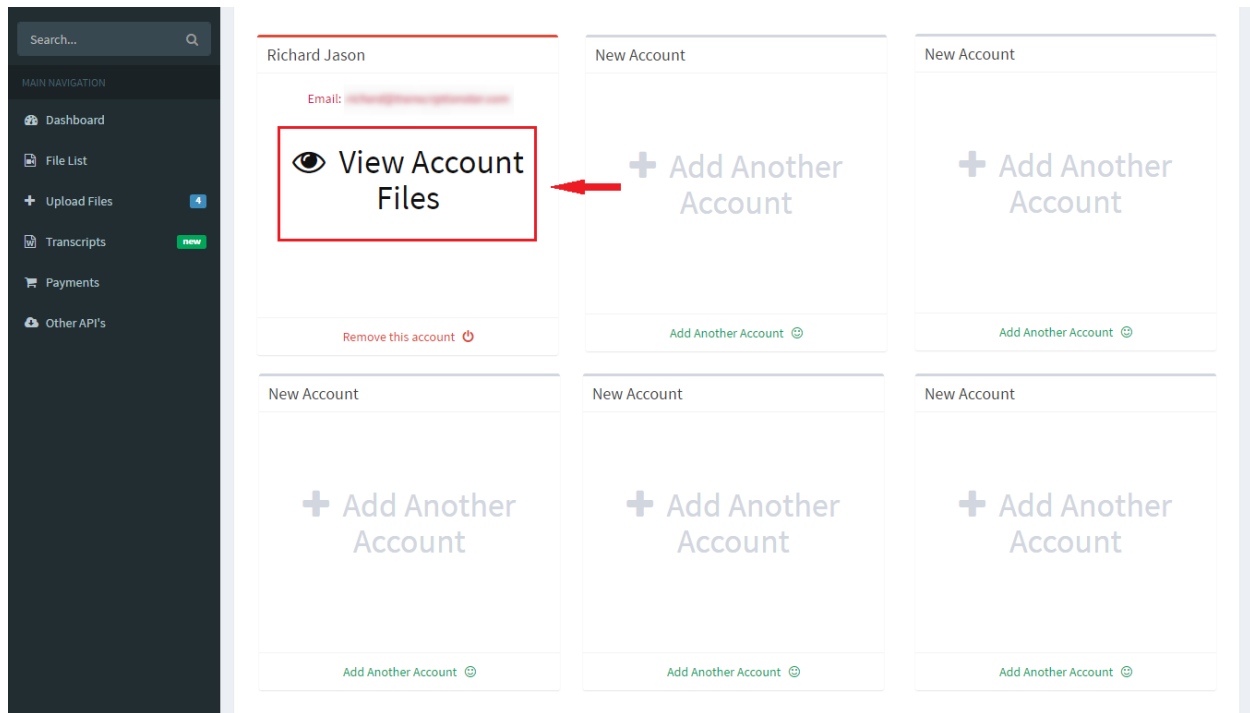

Cheers. You are done with the Integration process!

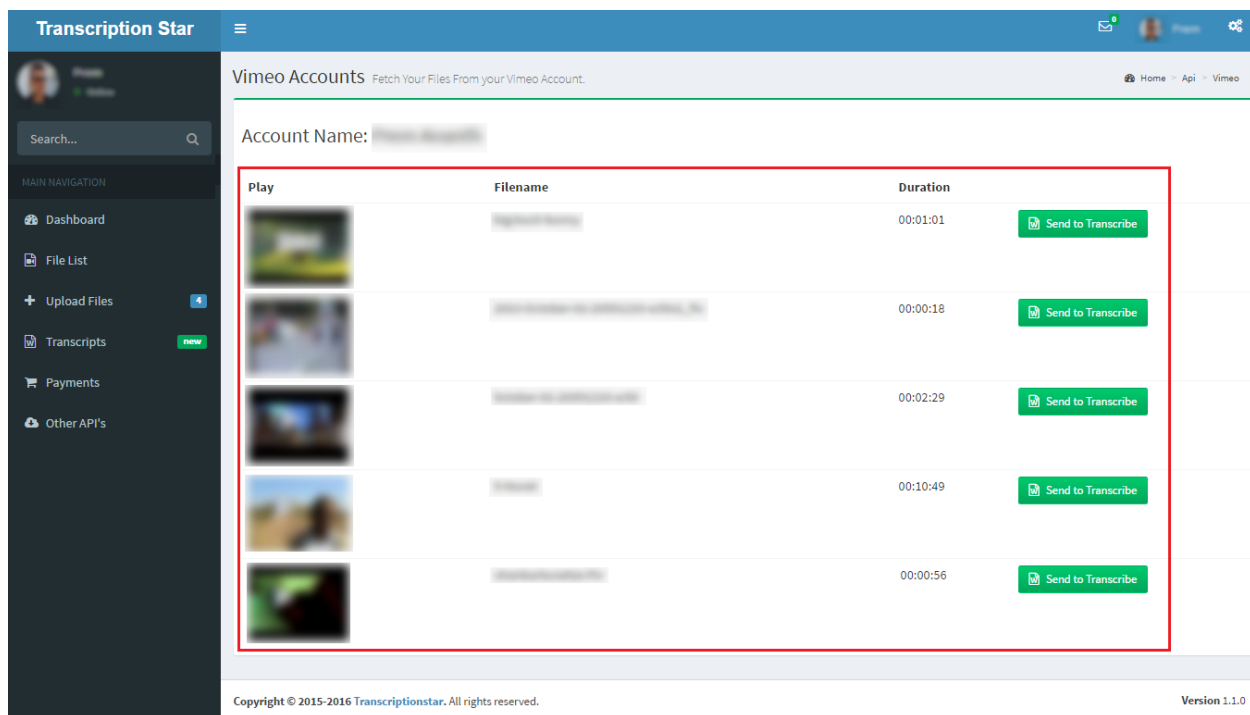

Now, files uploaded to your vimeo profile can be accessed and directed for transcription from within your iTranscript platform in just a few clicks.

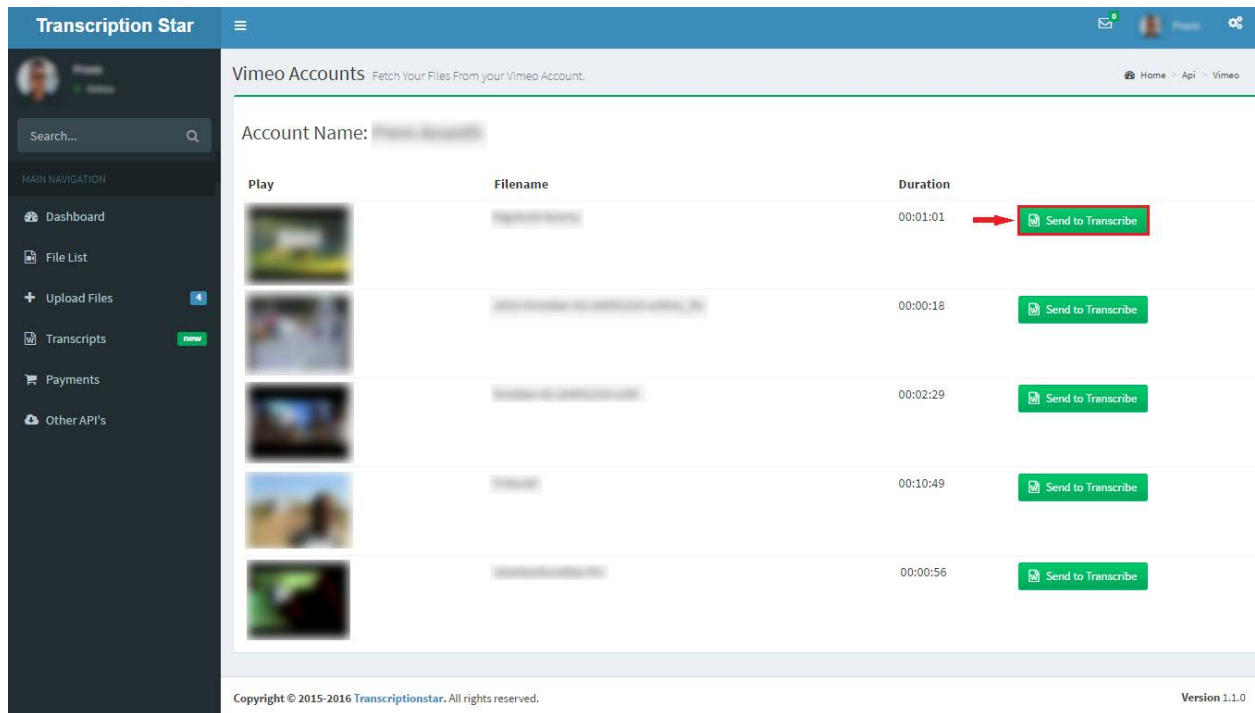

Step 4. Click on 'View Account Files'.

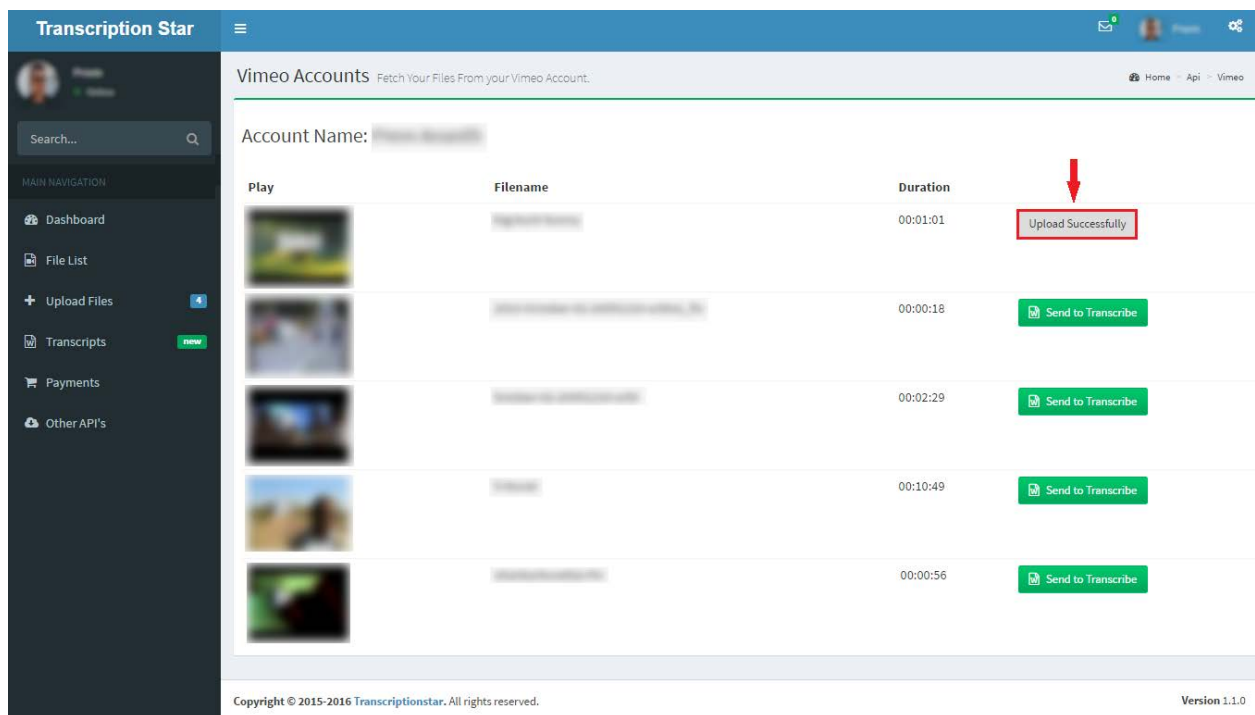

[You will be directed to the page displaying the list of files available in your vimeo profile.]

Step 5. Now, scroll through your list until you find the file that needs to be transcribed. And click on 'Send to Transcribe'.

(Once your files are uploaded successfully to iTranscript, they are ready for our transcription services)
